

Quick-Ship Program

Faster. Easier. More Efficient.

With *Lightspeed*, you can have our most popular products at your job site when you need them, with speed and accuracy.

- Speedy, streamlined ordering
- The Lightspeed program gives access to the poles and brackets in the finishes below, guaranteed to ship within 2-3 weeks of complete order receipt.

Your order qualifies for Lightspeed with:

- 19 pieces or less
- Standard T2 Tenon or Drilled Top
- No modifications (modified bases, modified heights, etc.), options (GFI, Couplings, etc.), or accessories (custom steel base covers)
